Establishing "NISSHINBO PHOTOVOLTAIC Co.,Ltd" ~Enhancing sales and support for Taiwan PV module manufacture equipments ~

Nisshinbo establish "TAIWAN NISSHINBO PHOTOVOLTAIC Co., Ltd." a sale and service office for photovoltaic module manufacturing equipment, in Taipei on May 19 2009. We are also establishing a service office in Tainan at the same time.

This is to enhance the after sales service of our PV equipment sold in Taiwan and to reinforce the sales network.

We have supplied multiple PV module lines to Taiwan PV module makers in the past. We do take it as essential to establish a local office to expand our sales because we do believe PV market of Taiwan is expected to have a further growth.
